

Artte Clubbe

Description: The GHS Artte Clubbe is a creative group of art lovers. Artte Clubbe is a meeting place for students who are talented and interested in the visual arts experience! The GHS Artte Clubbe is the place to be if you are interested in working on art related and volunteering opportunities.

Meetings: Most Artte Clubbe meetings are held after school in room 172. We usually meet twice a month unless we are helping Student Council with dance decorations. Then we meet almost daily. Regular meetings are held on various days so the students that belong to another club or sports team may have a chance to attend.

Requirements for Membership: Students interested in joining Artte Clubbe need to sign up at the beginning of year. The first meeting of the year is usually during the first full week of school. Students must agree and sign "The Artte Clubbe Member Pledge" form.
