### **SILVER STREAK OFFENSIVE BASKETBALL SCHOOL**

The SILVER STREAK OFFENSIVE BASKETBALL SCHOOL is about improving your game with repetition of the offensive skills of shooting, passing and ball handling skills. This school is for players who are interested in improving their game to be able to participating at a high level. We will not play games and no awards just repetition to improve your game.

This area has had a great tradition of producing outstanding basketball players and that is done only by hard work, discipline, and dedication. We feel that after sixteen hours of working out you should see improvement in these areas and have the drills to continue to work on your game. If you want to be a good player you must continue to play daily and work on the skills at game speed.

Our school will feature instruction in all the basic offensive fundamentals of shooting, passing and ball handling. You will have repetition on shooting, working from the triple threat position as well as coming off screens, shooting off the dribble, and just the catch and shoot along with repetition at the free throw line to help improve your percentage. Ball handling skills include the jab & go step, the crossover and change of pace all of the moves to help create space for you to be a better player. Passing skills will be the one handed pass, two handed pass, feed the post, as well as passing from the post area and other situations.

For further information, I can be reached at 217-260-4420 or [mreynolds@galesburg205.org](mailto:mreynolds@galesburg205.org). Please feel free to call if you have any questions or concerns about the camp. If you want to be a part of the basketball tradition you must begin at a young age and continue to play on a daily basis to improve your skills to be the best player you can possible be. Hard work, discipline, desire, and determination is how it happens.
